

BENTALL KENNEDY
PROUDLY CELEBRATES

ANNA MURRAY

Vice President, Sustainability

Dedicated mother, inspirational leader, sustainability champion for the commercial real estate industry, and a 2018 Canada's Top 40 Under 40® award recipient.

BIO: Anna Murray has dedicated her career to advancing corporate sustainability at major multinationals around the world. She currently leads the North American sustainability strategy for Bentall Kennedy, one of the world's largest real estate investment advisers. Murray is the co-chair of the United Nations Environment Programme Finance Initiative (UNEPMFI) Investment Committee Property Working Group, and the founder of the non-profit Young Women in Energy. Murray's commitment to making positive change has been recognized with the Making a Difference for Women Award, the United Way Culbert Family Award for Philanthropy and Top 100 Women in Canada.

BEST CAREER ADVICE: Carry as you climb. There is no single act more important than having gratitude for and giving back to those who surround you.

I AM INSPIRED BY: Fellow working mothers. I am forever awed by the sheer volume of hours, care and attentiveness dedicated to both work and family.
